

## **Discover, play, and explore on board Brunel's SS Great Britain**

Does your child or young person receive benefits-related free school meals (FSM)? Then you're eligible to visit Brunel's SS Great Britain for a free day out this summer as part of the Your Holiday Hub programme.

Throughout August 2021, this letter can be exchanged for tickets for your family to visit Brunel's SS Great Britain, and lunches for school age children and young people who are in receipt of FSM on the day of your visit.

There's lots to see and do at Brunel's SS Great Britain in Bristol. Explore the historic dockyard and head beneath the glass sea into the dry dock. Step back in time in the Dockyard Museum as you prepare to board the SS Great Britain herself. Alive with sights, sounds and even smells, set sail on the world's first great ocean liner. Don't miss the Being Brunel museum, discovering Brunel's extraordinary achievements and stepping into his office and family dining room. And head behind-the-scenes to see inside a working shipyard.

### **How to book**

Places are limited on a first come first served basis so **please book an arrival slot** at [ssgreatbritain.org/your-holiday-hub](https://ssgreatbritain.org/your-holiday-hub) to help us manage capacity.

If you do not have internet access, walk-up spaces may be available on the day. You will need to **bring this letter with you on the day you visit** so please keep it safe.

### **On the day of your visit**

Please show this letter, or your booking confirmation email if you have reserved arrival slots, to the staff in the visitor centre who will give you your personalised tickets and lunchbox vouchers for eligible school age children and young people who are in receipt of FSM. There is a picnic area on site if you are bringing your own food for other family members.

We look forward to welcoming you on board!
